BSA Haunted Classic Soccer Tournament

October 14-16, 2016

Dear Beaver Creek Township Trustees,

Thank you for your time today as I bring to you a request to partner with the Celtic Soccer Club and the Beaver Creek community in hosting the 8th annual Haunted Classic soccer tournament October 14, 15, 16, 2016. Attending the event will be 600 teams that average 15 players per team which means nearly 9,000 soccer players and their respective families will visit the Beaver Creek area, generating an estimated 8 million dollars of commerce. The Haunted Classic is now the largest fall U.S. youth soccer tournament being held in this country.

In October 2015 you graciously reduced our tent fees, paying just one tent fee per site, and since we will be utilizing both the Ankeney soccer complex and Hobson Freedom Park, there will be eight tents used for our medical, referee and headquarter services. Your assistance will greatly help reduce our costs to support this effort.

Thank you for your attention to this matter.

PROCLAMATION

IN HONOR OF
THE ANTON AND ANNA ZINK FAMILY

SEPTEMBER 12, 2016

RESOLUTION NO. _____

WHEREAS, THE ANTON AND ANNA ZINK FAMILY was exemplary as an early farming family in the area of northwestern corner of Beavercreek Township, which many years later became part of the City of Beavercreek, and who along with their descendants played a role in the heritage of our community by their efforts hereby stated:

- Anton Zink was born in Fautenbach, Germany on May 6, 1846 and Anna (nee Ketterer) Zink, daughter of the Burgermeister of Fautenbach, was born on August 10, 1858.
- In 1860, Anton, age 14, came to Beavercreek where he lived on a farm located in the northwestern corner of Beavercreek Township with his aunt and uncle, Christina and Alois Glaser. This area was the location of the early small settlement known as New Germany.
- He attended school at the one room Aley School (Township Schoolhouse #3) which stood on the corner of LaGrange and Grange Hall Road.
- In 1864, at age 18, Anton joined the United States Infantry, Company K, 82nd Regiment, and was with General Sherman during his march through Georgia in the Civil War.
- He suffered a wound to the hip during the war and was discharged from service in 1868.
- Following his discharge, he traveled west to Oklahoma to claim land the U.S. Government had set aside for veterans of the Civil war. He soon became disenchanted with that area and decided, according to his descendants, that "Beavercreek was the most fantastic place," and he returned to Beavercreek Township to manage his family's homestead.
- The family homestead of approximately 400 acres became known as the Zink Homestead. Zink Road, named for the family, now intersects Colonel Glenn Highway near an area of major commercial development and Wright State University.
- Anton returned to Germany twice, the second time to bring his future bride, Anna Ketterer, to Beavercreek They were married on February 13, 1877 at Holy Trinity Catholic Church in Dayton, Ohio.
- Anton and Anna had nine children: Emma Christina (Tena), Franziscus Alois (Ollie), Karl Fredrick, Joseph Anthony (Andy), Louise Magdelene, Otto Albert (Ott), Augustus Theodore (Ted), Frank Bernard and Max Joannes.

- Anton died at 82 years, 8 months on January 3, 1929; Anna died 22 months later on November 2, 1930.
- In 1932, son Max Zink purchased a home that had at its core a log cabin, originally built by John Nicodemus in 1811. It was located at what was then the corner of Grange Hall and New Germany-Trebein Road prior to major road construction.
- In 1979, Max donated the home to the Flower Trail Garden Club that had it moved and reconstructed in Wartinger Park where it remains today, the second of five historical Beaver creek structures that were moved to the park.
- Many descendants of Anton and Anna remained in the Beaver creek community, establishing their family with strong ties to the land as hard-working farmers tilling the rich soil of the area, as did many early settlers, while others, including daughter Louise and son Frank became educators as did several in following generations, like Otto and Ed.
- Several athletic facilities within Beaver creek City Schools are named for son, grandson and great-grandson of Anton and Anna in honor of their contributions made to Beaver creek schools and students, including the high school's Frank Zink Field, Otto Zink Gymnasium at Ferguson Hall, and Ed Zink Fieldhouse at Beaver creek High School.

BE IT THEREFORE DECLARED that this day, September 17, 2016, in the Township of Beaver creek at the Heritage Day Festival sponsored by the Beaver creek Historical Society shall be proclaimed **ANTON AND ANNA ZINK FAMILY DAY**.

IN WITNESS WHEREOF, we have here unto set our hand and caused the SEAL of Beaver creek Township to be affixed this 12th day of September in the year 2016.

-

1) **Request to Surplus Property that is Not Needed, Obsolete or Unfit for Use**

1.1) The fire department is requesting the Board pass the attached resolution [[Attachment 01.00](#)] declaring the items in the attached inventory report surplus for the indicated reasons and authorize the fire department to dispose of the items in accordance with Township policy and practice.

2) **Establishment of Beaver Creek Fire Department Explorer Post:**

2.1) The fire department is requesting permission to start a Fire Explorer post through the Boy Scouts of America.

2.2) This program is not an operational necessity.

2.3) n/a

2.4) This program was not budgeted for 2016. It will fall under the Auxiliary (5460) program area.

2.5) The Explorers program is a national civilian youth initiative to introduce community youth (boys and girls, ages 15-21) to the firefighting career field. This program is one of two remaining Auxiliary initiatives planned (4H is the remaining) to bring community interest and support to the fire department. The Auxiliary will manage the program as one of its branches, but it will require some fire department participation and support-especially administrative and training.

The Post will recruit interested Youth from the Beaver Creek Schools (including Carroll). Participating youth will receive basic fire service training, including CPR, first-aid, CERT, SCBA maintenance, fire equipment maintenance and leadership. As trained, participating Explorers, they will be allowed to ride-along with fire crews and participate in non-hazardous areas of emergency scenes (similar to current Auxiliary on-scene support members). They will not be allowed in "hot zones" or IDLH (Immediately Dangerous to Life and Health) environments.

The Post requires a minimum of four adult supervisors and five participating youths. The Township Administrator (an Explorer alum) will be the Township's post director, with the other three leadership roles filled by Auxiliary volunteers (the Auxiliary leader, and two members with BSA experience and interest). On-duty firefighters will be tasked to provide training at the regular post meetings.

- 3.1) **Senior Staff Meeting:** Senior staff met to discuss items of importance or concern, including Popcorn Festival planning and the ongoing fire engine renovation project.
- 3.2) **Eagle Scout Project:** The fire department has been approached by two Eagle Scout candidates with an interest in painting fire hydrants for their service project. The fire department supports this and has recommended that they paint the hydrants that were tested this summer by the YouthWorks employees. Greene County Sanitary has been contacted for their support (i.e. provision of the appropriate paint and necessary training), but they have not yet responded.
- 3.3) **Popcorn Festival:** The fire department is completing the Incident Action Plan for the Popcorn Festival and will staff the event to provide public education, fire prevention and fire and emergency medical services.
- 3.4) **Overpayment:** The fire department has completed its audit (per the Boards direction at the 2016-08-15 meeting) of payroll for the fiscal office transition period. No errors were found in pay rates, or in spot checks of employee hours, leave usage or other compensation.
- 3.5) **YouthWorks Employees:** All of the YouthWorks employees have completed their summer employment with the fire department. The final personnel cost for the additional 159 hours worked was \$1,839 (\$11.60/hour), well under the \$4,600 authorized by the Board on 2016-08-01.
